**ORDER GRANTING, IN PART,  
STIPULATION RE BRIEFING  
SCHEDULE AND  
ENLARGEMENT OF PAGE  
LIMITATIONS**

16

The Court has received the parties' stipulation in which they seek to enlarge the deadline by which Defendants must file a motion to dismiss to Plaintiffs' Consolidated Class Action Complaint ("Complaint") from May 5, 2008 to May 23, 2008. The parties also seek to enlarge the page limitations allowed by the Local Rules, and by extension, this Court's Standing Order 6, which provides:

21

All briefs, whether in support of, in opposition to, or in reply to any motion, **with the exception of summary judgment motions** and claims construction briefs, **may not exceed fifteen pages in length**, exclusive of title pages, indices of cases, table of contents, exhibits, and summaries of argument, if required. All declarations shall be filed as separate documents. Briefs exceeding ten pages in length must contain an additional one-page summary of argument, including reference to any important cases cited.

25

The Court finds good cause to grant the parties' stipulation regarding the page limitations, but the Court reminds the parties to familiarize themselves with this Court's Standing Orders.
